

Junior Section Fixture List – 2025

Please note that all competitions are released for booking on the BRS Tee Booking System, five days prior to the competition, at 9am.

Please ensure that you book a time for play as this will avoid delays should the course be busy.

Tee times will be reserved for Juniors & Juveniles on competition days at the times stated. It would be beneficial if players played with other Juniors & Juveniles at these times, however competitions will be open for the whole day and can be entered at any time, provided the competitor plays with another member with a handicap.

Junior competitions are all open to Junior & Juvenile members who hold a handicap.

The competitions shown below, unless stated are to be played over 18 holes from the Red Tees.

All competitions will be open to both boys and girls.

All competitions will consist of one division, until such time we have enough members with handicaps of differing levels to create two competitive divisions.

Junior members with handicaps below 24 as well as all Juvenile members are also eligible to play in Gents Competitions.
